

# Music Therapy Wish List

Music is good for the soul. It not only serves as entertainment but it helps our kids recover from the mental, physical and emotional trauma they have experienced. Music can reduce emotional stress, increases self-awareness, relieves physiological stress, evokes imagination, and creates a positive transference.

- MP3 players (with SD card, without camera)
- alarm clock radios
- boomboxes
- headphones
- earbuds
- musical toys (3 and under)
- Amazon Fire tablets

**Used items are not accepted.** Items can be dropped off at our main entrance Monday-Friday, 8:30 am - 6 pm and Saturday 9 am - 4 pm. All donations are 100% tax deductible.
