10th Annual Heroes for the Home Breakfast event raises a record-setting \$369,585
*Physicians of the Home's Kosair Charities Pediatric Convalescent Center Honored
as 2022 Heroes for the Home*

Louisville, Ky. (June 21, 2022) – Dr. Heather Huxol, Dr. Corrie Harris, and Dr. Sarah Korte were named the 2022 Heroes for the Home during Home of the Innocents' annual fundraiser on Tuesday, June 21 at Omni Hotel. As of the morning of the event, they'd raised a record-setting \$369,585 for the organization.

The physicians, who provide care to residents of the Home's skilled nursing facility, were honored for their phenomenal care of the medically complex residents and supporting the entire staff through two very difficult years.

The award was presented to Dr. Huxol, Dr. Harris, and Dr. Korte in front of a crowd of 1,000 guests who enjoyed breakfast while hearing from Brooke and Anthony Peach, foster and adoptive parents of the organizations' Therapeutic Loving *foster* Care & Adoption program, and learning how Home of the Innocents enriches the lives of children and families with hope, health, and happiness.

This is the first hybrid event for the organization, with the program available virtually at heroesforthehome.org. Donations will be accepted on the event website through June 30.
