

Brendon's Duffels of Hope Wish List

Home of the Innocents partners with The Brendon P. Bachelor Foundation to provide children a sense of security and hope, while providing necessities such as toiletries, clothing, and toys in duffel bags. These bags give children an appreciation of ownership, love, and security.

Duffel bags are distributed to kids who enter the Home's emergency shelter, who are discharged from their residential treatment program, and who are going to a new foster family placement. They also go to homeless young adults who enter our Pathways HOME program, as well as refugees who receive services at Open Arms Children's Health, the Home's comprehensive pediatric medical center.
